Welcome!

It is with great excitement that we look forward to the 2020-2021 academic year. The Shmuel Bass Torah Academy-Jewish Day School of San Antonio continues to offer a rigorous high school and college preparatory general studies program alongside an inclusive and welcoming Judaic studies path.

Every child is a valued student, and at TASA, we strive to give our students true quality education exceeding educational standards. Balancing top tiered education with affordable pricing will always be our goal. We know you could choose to send your child to other, less expensive options for school. Choosing to send your child to TASA is an investment that your family will benefit from and cherish forever. We thank you for trusting us to educate your children and for showing that you value the education, love, and one-on-one care and attention your child will receive every day from our dedicated team of educators.

In this packet you will find all the relevant information for enrollment for the 2020-2021 school year. Please review the enclosed information and do not hesitate to contact the office or Administration for assistance.

We look forward to welcoming you to the TASA Mishpachah (family)!

Most sincerely,

Rabbi Y. Marrus
Dean of Students
Director of Judaic Studies

Jessica L. Diric, M.Ed.
Director of General Studies
