

## Home Language Survey - 19 TAC Chapter 89, Subchapter BB

(Home Language Survey applicable ONLY if administered for students enrolling in pre-kindergarten through grade 12)

### TO BE COMPLETED BY PARENT OR GUARDIAN FOR STUDENTS ENROLLING IN PREKINDERGARTEN THROUGH GRADE 8 (OR BY STUDENTS IN GRADES 9-12):

The state of Texas requires that the following information be completed for each student who enrolls in a Texas public school for the first time. It is the responsibility of the parent of guardian, not the school, to provide the language information requested by the questions below.

Dear Parent of Guardian:

To determine if your child would benefit from Bilingual and/or English as a Second Language program services, please answer the two questions below.

If either of your responses indicates the use of a language other than English, then the school district must conduct an assessment to determine how well your child communicates in English. This assessment information will be used to determine if Bilingual and/or English as a Second Language program services are appropriate and to inform instruction and program placement recommendations. If you have any questions about the purpose and use of the Home Language Survey, or you would like assistance in completing the form, please contact your school/district personnel.
